I'm reading a book about anti-gravity. It's impossible to put down.

I used to hate facial hair, but it grew on me.

Two antennas got married. The ceremony wasn't much, but the reception was excellent!

My ceiling isn't the best, but it's up there.

Need an ark? I Noah guy.

This girl thought she recognized me from vegetarian club, but I've never met herbivore.

I love whiteboards. They're re-markable.

An atom lost an electron. It should really keep an ion them.

There's a fine line between numerator and denominator.

You should wear glasses while doing math. It improves division.
